

As part of the Apprenticeship Support and Knowledge for Schools and Colleges programme (ASK), Amazing Apprenticeships are offering parents, carers, careers staff and teachers a schedule of fully-funded webinars throughout the year. This series of informative webinars will provide an abundance of advice, information, hints and tips from expert speakers across the apprenticeships and technical education world. Each webinar lasts for 30 minutes and will take place on Zoom. Participants are required to sign up before the session and will receive an email confirmation and a reminder one hour before it begins.

The webinars will be recorded and shared with all registrants after the session.

Book your free place and catch up on recordings of all previous webinars here:

Our next Get Into Dentistry Conference is:

- Saturday 28th September, 9:30am - 3:30pm
- Sunday 10th November, 9:30am - 3:30pm

<https://airtable.com/appgXnyzN5ZD9lwk6/shrBuiR7SBAC19kE>

The Get into Medicine or Get Into Dentistry Conference is a complete guide to the medical or dental application journey. Students get essential insights into the medical/dental UCAS application process (such as the NEW personal statement structure), connect with professionals, fellow students, and gain a deeper understanding of a future career in medicine or dentistry.

Our conferences will provide tailored advice, covering essential topics such as:

- Application Timelines
- How to Tactically Choose Medical/Dental Schools
- CV Building
- Personal Statements - New format from 2026
- Medical/Dental School Interviews
- UCAT - Entrance Exams to Medical/Dental School
- Medical Leadership and Awards Programmes
- Accessing Work Experience
- Accessing Scholarships

Students will be awarded a certificate of attendance, which can be listed on their UCAS applications for 'activities that support higher education'.

Students and parents can register for FREE here:

Medicine: <https://airtable.com/appgXnyzN5ZD9lwk6/shry7MZYtt3MGPjvO>

Dentistry: <https://airtable.com/appgXnyzN5ZD9lwk6/shrBuiR7SBAC19kE>

Please ensure you have a functioning camera and microphone for the session. It's also important that you have a parent or guardian present at these conferences, not only for safeguarding but also to gain insight and guidance to support you effectively.

Upcoming Webinars from Unifrog

You will need to sign into Unifrog to access these webinars. If you are a parent you can set yourself up a parent account by going to the sign in page at this link - <https://www.unifrog.org/code> using the code **HIDBparents**.

Please do not let your child use your Unifrog account they should use their own account which they access using the school email address (they can reset their own password if they need to).

Becoming a doctor For students **Virtual**

Join the University of Southampton to hear about their medicine course and their aim to train doctors to become people who patients want to see, and who colleagues want to work with! Hear from current University of Southampton academics to find out more about the personal and professional skills which are so important when studying medicine, and how their course hopes to enable students to become doctors who put patient care front and centre.
