About V Levels

V Levels are new applied vocational qualifications for 16 to 19 learners in England. They are designed to:

- Offer applied learning within broad vocational areas
- Be equivalent in size to one A Level
- Be studied alongside A Levels and other funded Level 3 qualifications.

This flexibility means students can build programmes that keep academic and vocational doors open.

Ideal for students who want to make a positive difference to learning and development.

What is this course?

A practical qualification that develops knowledge and skills used across education settings from early years through to adult learning.

You will learn how to:

- Plan engaging learning sessions
- Work with parents, carers and professionals
- Adopt learning and support inclusion
- Assess risks and promote safe learning environments
- Use assessment information to support learner progress

Skills you'll develop

- Professional communication
- Lesson planning
- Inclusion and learner support
- Critical thinking
- Observation and evaluation
- Reflective practice

Career and Progression Opportunities

- Higher education
- Teacher Assistant Apprenticeships
- Pathways into employment in early years and education, after taking a related.
