

Birchwood High School

your dreams, your future, our challenge

Dear Parent,

I am pleased to inform you that has been selected to participate in our upcoming Echo Reading sessions which begin during the first week of our return from the half term break. The programme is focussed on readers who are capable, but who would benefit from improved vocabulary and inference skills. It is designed to enhance reading skills, improve fluency and foster a love for reading through this engaging and interactive activity.

These one-to-one 20-minute sessions will take place in the library, weekly during school hours, and will start on Wednesday June 4th. Your child's participation will provide valuable support in developing their literacy skills in a fun and motivating environment. Students will be informed of their session times in school - these will vary each week to avoid being pulled out of core subjects and to avoid missing the same lesson each week.

If you have any questions or would like to discuss this programme further, please feel free to contact me via the school email admin@birchwoodhigh.org.uk.

Kind Regards,

Mr G Smith (*Literacy co-ordinator*) and Miss S Shackleton (*Library Resource Manager*)

Principal, Mr Sam Griffin
