Educational Trips

The overview of educational trips for the Academic year 2026-27 is outlined below.

Please note that these are subject to change, and additional day trips may be arranged throughout the year. Whilst we anticipate these will run every year this is subject to staff and venue availability.

Residential trips are anticipated to occur annually (with the exception of the Cologne trip). Whilst we anticipate these will run every year this is subject to change.

No new residentials trips will be arranged for this academic year.

If a trip has limited places available this will be detailed in the trip letter and in the event of over subscription a random draw will be used to allocate places with a reserve list created.

* Denotes offered to whole year group, all other trips are subject specific.
